

Tamel

ELECTRIC MOTORS

ATB TAMEL S.A. in Tarnów, ul. Elektryczna 6, 33-100 Tarnów confirms, that all products built in this factory (electrical motors, cast iron or aluminum castings) are designed and manufactured according to requirements:

**Directive 2011/65/EU of the European Parliament and of the Council
of 8 June 2011**

**on the restriction of the use of certain hazardous substances in
electrical and electronic equipment.(RoHS II)**

and also in accordance with:

**Regulation (EC) No 1907/2006 of the European Parliament and of
the Council of 18 December 2006
concerning the Registration, Evaluation, Authorization and
Restriction of Chemicals (REACH)**

is classified as downstream user and is not the manufacturer or direct importer from outside of the European Union or distributor of substances or chemicals which are subject to evaluation, registration or limited application with the requirements of REACH regulation.

From our suppliers we require to provide safety data sheets of substances or mixtures or chemical preparations with a statement of REACH registration, if it is required.
